

## Indian Summer

By opening her eyes, one woman discovers that her heart soon follows. Maggie Gibbons leads a happy, if sheltered life on the frontier with her husband, a preacher, and their daughter. But her husband's increasingly cold and unfeeling ways trouble her, as does his disdain for the Cheyenne Indians his mission is to convert. His unwavering beliefs have left her questioning how she feels, and even their relationship. One chance encounter with Wild Horse, a gentle soul who the frontier soldiers have painted as savage, cements what she knows to be true: her husband, her neighbors, her community were all wrong. But will her secret encounters with Wild Horse set her free or lead her into a world of sin?
