

Indivisible: A Novel

An inseparable bond. An insatiable force. Battling his own personal demons, Police Chief Jonah Westfall knows the dark side of life and has committed himself to eradicating it. When a pair of raccoons are found mutilated in Redford, Colorado, Jonah investigates the gruesome act, knowing the strange event could escalate and destroy the tranquility of his small mountain town. With a rising drug threat and never-ending conflict with Tia Manning, a formidable childhood friend with whom he has more than a passing history, Jonah fights for answers and his fragile sobriety. But he can't penetrate every wound or secret, especially one fueled by a love and guilt teetering on madness. From best-selling author Kristen Heitzmann comes a spellbinding tale of severed connections and the consequences of life lived alone.
