[Siren Publishing: The Stormy Glenn Menage ManLove Collection: Erotic Alternative Paranormal Menage a Trois Romance, M/M/M, shape-shifters, sex toys, HEA] Danny OShay grew up knowing he never really fit in. His family avoids him. He falls so much that the staff at the local hospital know him by first name. And he cant get a date to save his life. Enter handsome fire fighters, Ben and Abe Lake, two men that bring every fantasy Danny ever had to life. Except Ben and Abe seem to have some business deal with Dannys father that involves a ton of money and the assumption that Danny has a clue. He doesnt. When Ben and Abe start talking about fated mates, shifters, and a family legacy that goes back decades, Danny is pretty sure they belong in an insane asylum. But as he gets to know the handsome twins, he begins to wonder if being crazy is that bad. Being alone again seems worse. After someone starts trying to take Danny out of the picture permanently, he has to believe that Ben and Abe are trustworthy and not in on the plot to kill him, because they might be the only thing to keep his life from going up in flames. Note: This book contains double anal penetration. \*\* A Siren Erotic Romance
