

Intentional Possibility: The Magic of Happiness and the Power of Change

Are you ready to create real, positive change in the world? Do you want to become an inspired leader within your organization? Do you want to inspire students to find their purpose and face challenges with confidence? Are you willing to reinvent yourself in order to live a full, happy and prosperous life? Throughout *Intentional Possibility*, award-winning author Sergio W. Sedas, PhD takes you through a journey of self-transformation in which you will awaken into a vibrantly exciting life. In the style of *Blink*, *The Tipping Point*, and *Start with Why*, this book teaches you the one principle that opens you up to make great things happen. you will learn about possibility - which is more than a vision, more than a project, more than an idea - it is a powerful state of mind. A state of mind that inspires you, that moves you, that drives you. *Intentional Possibility* is a book that inspires personal growth and leadership, overcomes roadblocks to success, and opens the door to creating positive change in organizations, communities, even the world by making the extraordinary possible. The fact that you are reading these words means that you are ready to take the next step to intentionally create new possibilities in your life. Congratulations on making the choice to take your life to the next level. Heres my advice: Dont just read this book. Study it. Do the exercises and share what you are learning with your family, friends, and colleagues. Do everything you can to absorb every word in this wonderfully written book. Then put it all in action ... one step at a time. When you finish reading, you will have begun a new chapter in your life. You will be on the path to fulfilling your potential and achieving greatness. Jack Canfield Best-Selling Author of *The Success Principles™*, *Dare to Win*, and *The Chicken Soup for the Soul®* series
