

Bluesday

Bobbie Brooks is living the life she's always dreamed of. A life full of music, success, and love so it seems. Suddenly, her perfect world shatters, leaving her alone, broken, and penniless. In order to heal, Bobbie must confront the demons of both her past and present. Will she be strong enough to move into her future and make a new start with an old flame? *disclaimer - this is not your ordinary inspirational novel* Excerpt: I wrapped my arms around him and waited for my better judgment to kick in. I waited for the voice in my head to tell me to stop, that I was a married woman, and that this was wrong. I never heard it... Dear Reader, I would like to thank you for purchasing this book and it is my greatest desire that Bobbie's story touches you as deeply as it touched me. I know that you will enjoy taking this journey with her. Sincere Blessings, Adrienne Thompson
