

## Invitation to Love

Dillon Archer had already ruined Heidi Camerons fathers business and played a part in his early death. Now he seems set on wrecking the rest of Heidis life -- the bed & breakfast business which is all she and her mother salvaged from the wreckage -- and acquiring Heidi herself, just for good measure! -- Leigh Michaels is the author of more than 90 books, including 80 contemporary romance novels. She also writes single-title historical romance set in Regency England.
