

Invitation to Pleasure: Open Invitation, Book 2

From NYT and USA Today bestselling author Jasmine Haynes, find enclosed your invitation to *The Club*, elegant, classy, sexy, every woman's fantasy, every man's desire... Virginia Hansen believes she's a three-time loser in marriage, each time confusing the passion and lust of immediate attraction for lasting love, with disastrous results. For her fourth trip down the aisle, she demands stability and companionship, without passion or lust clouding her judgment. But Virginia will soon discover that trying to harness her deep-seated needs is like trying to tell a raindrop not to fall. Buried inside, Virginia has overpowering desires and the need for a man's seduction to turn her inside out. When she begins craving seduction from her new husband, her carefully constructed, stable world might very well fall apart. Brett Branoff has finally found the right woman. Everything in his life is about his career, even down to his choice of wife, and Virginia has the same needs and goals as he does. He's willing to bank his sexual desires and forgo the bedroom fireworks to accommodate the perfect, self-assured, even-tempered wife. But when Brett uncovers the hidden wanton beneath Virginia's elegant business suits, everything he thought he wanted pales in comparison to his newfound desires. Brett soon discovers that perfunctory interaction once a week isn't enough to satisfy him, not when he knows that Virginia is capable of so much more. Now he plans on sending his wife an invitation to pleasure she simply can't refuse. *Invitation to Pleasure* is a contemporary romance of approximately 32,000 words.
