

Irish Hearts: Irish Thoroughbred/Irish Rose

From #1 New York Times and USA TODAY bestselling author Nora Roberts comes a pair of beloved stories about seeking your destiny and finding love along the way. IRISH THOROUGHBRED Irish lass Adelia Cunnane has entered a fairy tale. Working at the world-renowned Royal Meadows stables is a dream come true. She's determined to prove her worth, especially to the stables owner, the very opinionated and ruggedly handsome Travis Grant. Princesses aren't the only ones who can have a happily-ever-after! IRISH ROSE Erin McKinnon follows her cousin Adelia to America and is immediately captivated by the charm of Royal Meadows. But she is not nearly as impressed with Burke Logan, owner of the neighboring property. A womanizing, cigar-smoking gambler, he's exactly the type of man her mind tells her to stay away from. But her heart isn't nearly so practical.
