

## Island Magic Bundle

Part One When Melanie Bass tracks down fellow treasure hunter and diver Kirk Hatcher in the Caribbean, its not quite the reunion she had hoped for. Down to her last dollar and a map from her deceased father, she has no choice but to turn to Kirk for help. But Kirk has moved on, running his own tour business in Jamaica, the broken relationship with Mels father put into the past. Although Kirk is still the impossibly dashing dive master she once knew, Mel is no longer a teenage girl with a crush. Their strained relationship takes a decidedly romantic turn as the already warm waters begin to boil. Part Two Divers Melanie Bass and Kirk Hatcher put their troubled past behind them as their wild desires drive them together. But their hunt for sunken treasure suddenly turns into something other than a pleasure cruise. Modern-day pirates capture them, claim Kirks boat, and also take an intense interest in a treasure hunt that could leads to millions of dollars in gold, silver, and emeralds. Using voodoo, threats, and violence, they coerce Mel and Kirk into forced labor. Her nerves frayed and her body at the limit, Mel makes a frantic grab at freedom. Part Three Kidnapped by pirates and forced to dive for sunken treasure, Melanie Bass and Kirk Hatcher are on the Caribbean voyage from hell. Kirk suffers the consequences of Mels failed attempt to escape and she learns the truth of the breakup between Kirk and her father. An unlikely ally finally emerges and Kirk devises a plan to save their lives. The stakes couldnt get any higher as he battles to reclaim his boat, the most treasure laden galleons in all history, and the life of the woman he loves.
