

It Had to Be You (Christian Romance)

Eden Christiansen never imagined her role as her younger brother Owens cheerleader would keep her on the sidelines of her own life. Sure, it feels good to be needed, but looking after the reckless NHL rookie leaves little time for Eden to focus on her own career. She dreamed of making a name for herself as a reporter, but is stuck writing obits-and starting to fear that she doesnt have the chops to land a major story. If only someone would step up to mentor Owen ... but she knows better than to expect help from team veteran and bad-boy enforcer Jace Jacobsen. Jace has built his career on the infamous reputation of his aggressive behavior-on and off the ice. Now at a crossroads about his future in hockey, that reputation has him trapped. And the guilt-trip hes getting from Eden Christiansen isnt making things any easier. But when Owens carelessness leads to a career-threatening injury and Eden stumbles upon a story that could be her big break, she and Jace are thrown together ... and begin to wonder if they belong on the same team after all.
