

Where It May Lead

A revelation that could ruin everything! Instant attraction is the stuff of books and movies. Or so Alumni Relations Director Madison Laclaire believes until she meets Detective John Troy Troyer. From closing down the restaurant on their first date to sharing steamy looks in meetings, Madison is completely into Troy. Even better, the feelings are mutual. Once this alumni weekend is over, they can pursue the plans they have for each other. But those plans get sidelined when the college opens a decades-old time capsule. Inside, a student confesses knowledge about the campus only murder an unsolved murder. Worse, Troy's investigation points to Madison's father as a suspect. Suddenly her loyalties are split. And making the wrong choice could cost her a future with Troy.
