

The Artists Way for Retirement: Its Never Too Late to Discover Creativity and Meaning

Most of us have no idea of our real creative height. We are much more gifted than we know. My tools help to nurture those gifts. The Artists Waymovement began more than two decades ago and has now helped millions of people around the world to discover - and recover - their creativity. Whether you want to work on a large artistic project or simply wish to experience more creativity in your life, The Artists Way for Retirement is the perfect guide to help anyone wanting to live a more creative and vital life. Packed with engaging, thought-provoking exercises and useful tools designed to help unlock your creative energy, this book will enable you to pursue creative activities with confidence, realize the creative dreams you have been harbouring and enjoy the freedom and independence that retirement offers. Using a range of artistic forms and styles, and devised to address and support the emotional upheaval that retirement can bring, this book will take you on remarkable and transformative creative adventures.
