

## Quiet Phoenix 2: From Failure to Fulfilment: A Memoir of an Introverted Child (Volume 2)

Celebrating The Quiet Child: A Must Read For Every Parent, Teacher, Mentor, Sports Coach..... From Prasenjeet Kumar, the author of Quiet Phoenix, the Amazon #1 Bestseller in the Hot New Releases category, comes a sequel that no one who deals with introverted children should miss.

The underlying theme of the book is that just as a Phoenix Bird is hardwired to be reborn from the ashes of her ancestors, her tears are meant to cure wounds and she symbolises undying hope and optimism, so is your Quiet child built for persistence, creativity, and self-discipline; and for displaying a knack for self-learning, high emotional intelligence and an impeccable sense of moral responsibility. With real life characters like Ms. Brownie Points, Mr. Noisy Ferrari and Ms. Pencil Snatcher, this book is intended for everyone--a parent, teacher, or sports Coach. And if you are an introvert adult, you may find this book useful in understanding yourself, your past and what you want out of life in the future.
