

## A Lovers Dream (Arabesque)

CAN MIXING BUSINESS AND PLEASURE Author Michaela Sellars has a successful writing career, but love and security have always eluded her until a research trip takes a surprisingly romantic turn. Quest Ramsey and his brother Quaysar belong to one of Seattle's most successful families, and Michaela is in town to profile them for an upcoming biography. Falling in love with gorgeous, confident Quest and having him fall for her in return is the ultimate dream come true. ADD UP TO LOVE? Quest is reluctant to be featured in Michaela's tell-all book, but something about this beautiful woman has captured his attention and keeps him coming back. With little reservation, he lets her into his life and his heart. But when Michaela uncovers a secret that threatens to ruin his family name, she'll have to choose between the integrity of her profession, and the love she never thought she'd find.
