Two men, one woman, and a romantic vineyard. Summers never been this hotTastes of Seduction, Book 1Angus Lowe feels like hes just stepped onto the set of Lifestyles of the Rich & Famous. Hes checking out a luxurious boutique hotel and winery, lured by the possibility of landscaping the gardens. And hes crazy mad about the woman giving him the tour. Problem is, Lily Hemington is way out of his league. Not only does she live the lifestyle of the rich and famous, she is also crazy mad about the owner of the hotel, Blake Seymour. Issues get cloudieror could that be steamier?when Angus meets Blake. Its clear Blake has deep feelings for Lily, but its also obvious he cant take his eyes off Angus. While Angus doesnt find this at all unpleasant, hes painfully aware Lily and Blake are perfect for each other, and that he doesnt belong in their perfect world. Now its up to Lily and Blake to convince Angus the only world that counts is the one they all create together. Warning: This book should be enjoyed with a bottle of chilled white wine. Youll need it to cool down when the heat among these three characters burns out of control.
