

Born in a Manger

This book is about a baby being Born in a Manger in modern day. The reason the baby was born in a manger in modern day was because there was no room for the baby to be born in the local INNs and the Hospital was 20 miles away and there was a storm of a life time coming in. Jesus our savior and Lord was born in a manger because there was no room for him to be born in one of the local INNS. This story is meant to remind us to not make the same mistake that the INNs made 2000 years ago. We need to make room for Jesus INN us.
