

Sealed With a Kiss (Mills & Boon M&B)

On the outside, Molly Gifford has it all: a hot legal career and Daniel Hunter, her equally hot boyfriend. But what she really wants is a family. So when she discovers her real father, she doesn't hesitate to pack her bags. Even though it means leaving her old life behind. A year later Daniel Hunter is still trying to get on with his life. Then Molly shows up at his door, begging for help. Her newfound father is under arrest for murder, and she's convinced Hunter is the only attorney with the skill and reputation to get him off. Hunter can't resist helping an innocent man. But this time he'll be the one walking away even if it breaks both their hearts to do it.
