

## Sweet Home Montana (The McKaslin Clan)

When contacted by her long-lost grandmother, Lauren McKaslin wanted to reconnect with all the warmhearted Montana McKaslins. For too long, she relied solely on herself. But mistrustful lawman Caleb Stone stood in the way of her dreams, and his questions about her were intimidating. Was his attention more than a protective instinct? Now that she believed in family again, perhaps this was also the time to believe in true love.
