

## High Mountain Drifter (The McPhee Clan Book 3)

Book 3. Bounty hunter Zane Reed arrives in town, vowing to hunt down the escaped criminal Ernest Craddock at any cost. An easy job--except for his new client, Verbena McPhee. She captures him with her kindness and beauty, but how can a drifter, a rough man with a dangerous past, fit into her world? Its impossible. Hell give his life if thats what it takes to protect her, but he cant give her his heart. Verbena McPhee will never trust another man again, not after her experience with Ernest. No, being kidnapped and beaten once was enough, thanks. Shes done risking her heart--totally, completely, end of story. Yet the more time she spends with Zane, the more his strength and tenderness tug at her like a cherished dream. Hes the one stellar exception, someone she can trust two hundred percent--except for one problem. Hes not a staying kind of man. This is not a true stand alone title. High Mountain Drifter is best read after Then Came You, Montana Hearts and The Sweetest Thing.
