

Enzo (Jinx Tattoos Book 1)

*** Enzo is Book One in the Jinx Tattoos Series but is a STAND ALONE novel *** Neglected, abandoned by a heroin-addicted mother, and placed in foster care at ten, Enzo Jordan has learned one thing love hurts. At thirty-five, he has a successful tattoo shop and his choice of women. The one-night stands are getting old, and the love he holds for his best friend, Aibhlinn is impossible to hide. When the attraction between them reaches a boiling point, hes forced to choose between facing his fears and walking away. Aibhlinn Leahy has been in love with her best friend for years. The Irish-born comic book artist has poured time, energy, and love into the wounded man. His choice to walk away breaks her heart but frees her to explore a new future. Life is a cruel and amazing thing. An abandoned baby brings the two back together, and theyre forced to examine the love that has long existed between them. This is a story of pain, scars, and fear. We all have demons to battle. The real decision is whos in control or them?
