

## My Sleeveless Heart: Lyrical Memoirs of a Naked Soul

Conventional perceptions of, and approaches to, romantic relationships are challenged and changed in this step-by-step breakdown of modern courtship practices. Author Joshua DuBois uses a combination of narrative prose, practical reasoning and original poetry to chronologically describe the phases that relationships go through. Each reader is given the opportunity to uniquely connect with one or more ideas from a wide variety of concepts based on the readers individual romantic experiences. My Sleeveless Heart: Lyrical Memoirs of a Naked Soul (Advanced Edition) gives every reader the tools necessary for anyone trying to become a more communicative person, a more understanding companion and ultimately a more compatible partner.
