

A Journey to be Remembered

Inspired by the courage and perseverance his father possessed throughout his entire life, Sanjay Patel writes a biography about his parents lives. Paying homage to the memory of these two inspirational people, *A Journey to be Remembered* traces the lives of Mr. and Mrs. Ashabhai and Maniben Patel from the time of their birth until their death. Overcoming many trials and tribulations on the road to providing their six children with the best of life, the story of Sanjays parents proves the unconditional love that they had for their parents, children and families. *A Journey to be Remembered* is written by their youngest child Sanjay Patel, who beautifully portrays the lives of his parents through details of their struggles and accomplishments. Truly an inspirational tale, full of adventure, conflict, and lessons learned, *A Journey to be Remembered* captures the spirit of two courageous individuals who will forever be remembered by those touched by their lives.
