

Joy Ride: Sexy Adult Romance

Kimberly is desperately muffling gasps of pleasure under the covers is just not doing it for her. She loves and desires her husband, but she needs more. Could the Spice Rack game picked up at a girly, wine-infused party be the solution? Anticipation floods her body as she opens the first task. What the...? How is love on the move going to spice up her sex life? Its impossible, or so she thinks, but when a sudden sinful idea pops into her head she has to act, much to Nates delight. Until, that is, theyre spotted, pulled over, hauled out and cuffed, and not in fluffy pink. Theyre in for it, but the glint in Nates eye tells Kimberly hes finally got her exactly where he wants her. It might feel like hell, but before she knows it shes catapulted to a heavenly place shes been longing to revisit. As long as they can get away with it. Please note this book was previously published with different cover art.
