

Just 4 Play (Mills & Boon Blaze)

Jill Sheldon believes in having fun every day. That's why she works at Just 4 Play, an adult toy store. What's more fun than helping people enjoy sex? And if there was ever someone in need of some playtime, it's her hot new boss, Mitch Landry. He's determined to close the place. So she propositions him, giving her one month to demonstrate the value of the store on him. After all, there's a lot of pleasure she can pack into thirty days! Mitch knows how to have fun; he just has too many responsibilities to indulge himself. Yet when the seductive Jill makes her tantalizing proposal, he's tempted. She won't change his mind, but he can enjoy himself for one month, can't he? What starts out as a steamy little game soon turns into so much more, and there's no way he can stop playing. So he'll have to change the stakes to something along the lines of forever.
