

Just A Hint Clint (Zebra Contemporary Romance)

Some Days, It Doesn't Pay To Get Out Of Bed That's what crosses Clint Evans's mind the minute he takes on the four thugs holding heiress Julie Rose hostage. It isn't the danger that has Clint in a lather, but Julie herself. The pretty, petite schoolteacher he's been hired to return to her wealthy fiancé is no fainting trust-fund baby. She's more of a hellcat, one who won't be deterred when she sets her sights on something. And her sights are set on Clint. The one rule Clint never breaks is this--don't get involved with the client. He can look, but he definitely cannot touch--even if it's driving him crazy. Keeping Julie safe until he can figure out who's behind her kidnapping means never letting her out of his sight. And the closer he sticks to the feisty, seductive woman who makes him feel alive...the harder it gets for him to ever consider letting her go...Foster writes smart, sexy, engaging characters.--Christine Feehan A Lori Foster book is like a glass of good champagne--sexy and sparkling.--Jayne Ann Krentz
