

Just for Kicks

Las Vegas showgirl Carly Jacobsen keeps learning the hard way that her idea of fun differs radically from that of her neighbor Wolfgang Jones. Sure, he looks incredible, and he seems to have a thing for her legs, but the man's a robot. So what's with their chemistry? Wolf has a plan for his life, and it doesn't include finding himself tempted by the freewheeling Carly-mile-high legs or not. Yet in a moment of weakness, the two discover at least one area where they do both have fun. But outside the bedroom the stakes are getting higher, and love might come down to a roll of the dice.
