

Totally Rocked? (The Next Generation Series Book 3)

This book is for mature audiences 18+ It contains explicit language, drug use and sexual content. Being the adopted daughter of the worlds most famous rock star, Colter Slade has its perks. A rich lifestyle, designer clothes, enough money to buy all the pretty things you desire. But does being Daddys little princess mean youre satisfied with your life? Ella Slade has it all, she has her own band, the right friends and family supporting her as she grows into this crazy world of paparazzi, minion fans and the crazy hype that constantly surrounds her family. But what Ella craves goes much deeper than superstardom. Ella loves the limelight, she always has, and with her best friend Chad by her side anything is possible. Her band Staked goes on tour and her world is thrown into chaos when she meets the handsome and mysterious Danger, the lead singer from the backing band Recoil. Ella is taken on a whirlwind of emotions on the roller coaster of life as she embarks on a journey of self-discovery. How do you choose between the safe life youve known all along and something far more dangerous? She must decide who to turn to - the one thats been there all along - or the new Danger that threatens to turn her world on its axis. Who will she choose, Danger or Chad? Was there ever really a choice to be made?
