

## The Vixen Diaries

This titillating expose chronicles the personal and professional adventures of this tabloid-laden socialite, dispelling some rumors, while confirming others. Diaries unveils the heavily shrouded Hollywood backrooms and its coveted secrets. Offering her ardent fans answers to burning questions and presenting lessons learned, this book will surely not disappoint. Karrine Steffans continues to dish out juicy gossip and the much sought after details of her star studded lifestyle and the celebrity men that helped her get where she needed to be. Karrine draws you in to get an up-close and personal look at the Hollywood life of fast money and sex; all the things that make for a great movie. She discusses her interactions with people after the release of Confessions of a Video Vixen and how she copes with it all.
