

Just Kiss Me (Mills & Boon Temptation)

When Amanda Sedgewick runs out of nice ways to say no way to dating Dr. Avery Barrington, she dumps her defensive posturing and goes on the offensive. She signs up Joe, Averys young hunk of a brother, for a faux fling. Truth be told, Amandas always had the hots for the laid-back, rough-around-the-edges, drop-dead gorgeous Joe. But how to turn her fantasy into reality? As a successful attorney, Amanda spends her days being convincing in the courtroom; now she wants to spend her nights being convincing in the bedroom with Joe. He wants to play it careful no pressure, no risk until the sexual sparks soon cost them everything!
