

Katies Discovery (The Zook Sisters of Lancaster County Book 3)

Katie Zook, the youngest of three sisters, does not seem like herself. What is causing the sweet, cheerful Amish beauty to be despondent? Is her weight loss intentional or the result of something more serious? Josiah Stoltz, a family friend, returns from the city where he has been earning money to buy his own farm. Katie finds herself enamored of the young farmer and hopes the feeling is mutual. Everything changes when a friend from his past places Josiah in danger. Katie, as well as her Amish community, find themselves in the midst of his problems. Will Josiah be shunned for his actions? Will it ruin Katie's hopes for a relationship with him?
