

Kayak Morning: Reflections on Love, Grief, and Small Boats

There is indeed life after death, and Rosenblatt proves that without a doubt. USA Today From Roger Rosenblatt, the bestselling author of *Making Toast* and *Unless It Moves the Human Heart*, comes a poignant meditation on the nature of grief, the passages through it, the solace of solitude, and the healing power of love. Rosenblatt's *Kayak Morning* is a classic in the making, akin to *A Grief Observed* by C. S. Lewis, a coming to terms with tragic, senseless loss that offers readers an unsentimental and deeply moving account of the possibility of true redemption. A profoundly beautiful and intimate gift from an exceptional writer, *Kayak Morning* is Roger Rosenblatt writing bravely and unforgettably from the heart.
