

## Keeper of the Stars (A Kings Meadow Romance Book 3)

Forgiveness is the only cure for heartbreak. But can Penny forgive the man she holds responsible for her brothers death? When her mother died from pneumonia, Penny Cartwright was heartbroken. But now, after burying her younger brother just 12 years later, she is devastated. Anger, guilt, and sorrow cloud Pennys mind, and the last thing she wants is to be reminded of her pain but thats exactly what happens when a stranger comes to town. Trevor Reynolds has been chasing fame for more than a dozen years, but his musical career cant get off the ground. While on the road, an accident kills his young drummer, Brad Cartwright. Trevor wasnt behind the wheel, but he still blames himself ... and so does Brads sister, Penny. Now Trevor finds himself in Kings Meadow, determined to follow through on his final promise to his friend. Still feeling the pain of Brads death, Penny and Trevor must learn that forgiveness is the only thing that can heal their hearts. And if they do forgive, something beautiful may rise from the ashes of heartbreak.
