

Cavanaugh's Woman (Mills & Boon Vintage Cherish) (Cavanaugh Justice Series)

Handsome, hardworking Shaw Cavanaugh defined the term top cop. So when Moira McCormick arrived in town to research her next film role, it was no surprise that the Chief assigned the stunning movie star to shadow the no-nonsense Shaw whether the officer liked it or not. At first, Shaw couldn't stand the feisty, fearless Moira or her constant presence in his squad car. But the movie star and the man in uniform discovered an unexpected connection that smoldered hotter than anything on the silver screen. After the cameras stopped rolling, would they give themselves up to love?
