

## The Cowboy Collection: an inspirational romance cowboy anthology (Heart of Oklahoma)

From USA TODAY bestselling author Lacy Williams, this collection includes inspirational western romances: *Kissed by a Cowboy*, *Love Letters from a Cowboy* and *Mistletoe Cowboy*.

*Kissed by a Cowboy* Just shy of her thirtieth birthday, Haley Carston returns to Redbud Trails, Oklahoma, to care for her dying aunt. She thinks she's ready for this homecoming. She's spent years escaping her perpetual shyness and being Katie Michaels tag-along friend, but being back in her hometown brings back a lot of old memories, especially when she is faced with the cowboy she never forgot—Katie's older brother, Maddox. Twelve years ago, Maddox Michaels was supposed to be somebody. He had everything. A football scholarship. A Division I team scouting him. Maybe even a chance at the pros. Now, he's a burned-out cowboy working day and night to stay ahead of his brother's medical bills and keep their family farm from going bankrupt. And trying to be a father-figure for his niece, Olivia. When Haley and Olivia start spending time together, Maddox can't help remembering those dreams that died alongside his sister. Will being with Haley open his heart to new dreams?

*Love Letters from a Cowboy* (formerly *With Love, Cowboy*) When the love of his life is injured in combat, Ryan Michaels promises himself he won't let any more time go by without ensuring she knows that he loves her. His problem? Ashley still sees him as the goofy high school kid that followed her everywhere. Ashley Reynolds returns home to Redbud Trails, Oklahoma, a wounded veteran, with her Military Working Dog at her side. She's concerned about her aging parents and doesn't have time for a relationship—especially not one with a college dropout like Ryan. But as Ashley dives back into the life she left behind, she discovers there's much more to Ryan than she thought... there's a man of honor and

integrity. Will she open her heart and let Ryan in? Mistletoe Cowboy After suffering a career-ending injury, bull rider Justin Michaels has stalled out. At twenty-seven, hes back in college to try and find direction for his life. Valri North is a few credits away from completing her pre-med degree. Shes got her life planned out, until a disastrous assignment in class and a distracting cowboy threaten to derail her carefully-ordered plans.
