

The Heiress Courtship

LIBERTY JUDD IS A RULE BREAKER The Chicago heiress has shaken off the trappings of society and the man who crushed her heart to follow her artistic dreams. But when Gerrett Divine suddenly reappears in her life, she can't ignore the way she still feels about him. Architect Gerrett Divine IV has always been the dutiful son that's why he plans to marry a woman he doesn't love. But when he meets Liberty again, that resolve is severely tested. Can he go through with an arranged marriage just to please his family, or will he make a leap of faith and choose the free-spirited woman who captivates him?
