

The Real Romero (Harlequin Large Print Presents)

The Secret Billionaire Billionaire Lucas Romero is many things - brooding, talented and a consummate womaniser. The one thing hes not? The ski instructor beautiful, innocent Milly Mayfield thought she was giving herself to in a sumptuous, secluded French ski chalet! And now shes livid! Arrogant playboy Lucas is bewildered by Millys decidedly unusual reaction to the revelation of his substantial wealth - hes never had complaints before! But even Milly cannot ignore the sexual chemistry between them so when a family emergency means he needs a willing woman by his side, Milly suddenly finds herself whisked away to Spain...and engaged! Praise for Cathy Williams To Sin with the Tycoon 4* RT Book Review Williams office romance is a Cinderella-esque tale between her very un-Prince Charming-type hero and her cautiously reserved heroine whove both overcome horrendous childhoods. Her authentic English settings inspire, and the relationship-building is truly well done. Enthralled by Moretti 4.5* RT Book Review Williams postcard-perfect UK backdrop adds depth to her tale. The blatant sexual banter between her ruthlessly arrogant hero and her unrepentant, behind-her-walls heroine effectively connects them to readers, and their bedroom antics are emotionally and physically arousing. The Uncompromising Italian 4* RT Book Review Williams opposites-attract romance is spicy and sweet, opulently set in both the UK and Italy. The characters bumbling road to love is frustrating, comical and touching.
