

## Owens Best Intentions (Smoky Mountains, Tennessee)

She always knew this day would come. When her former boyfriend shows up at her Vermont home, Lilah Bantry is terrified that Owen Gage will take her child away. Four years ago, she sent him packing, dead certain that Owen couldn't be the father their unborn baby needed. Now he's stirring up powerful emotions and vowing he'll never leave the son he's determined to get to know. Lilah spent decades trying to overcome her own traumatic past. Is Owens warmly welcoming Tennessee hometown a place where she can finally stop running? First, she needs to be convinced that people really can change.
