

Baby for Keeps (Mills & Boon Desire) (The Kavanaghs of Silver Glen)

A woman and baby walk into a bar. It might sound like a joke, but saloon owner Dylan Kavanagh knows it's all too serious. Struggling single mom Mia Larin needs him. She helped him when they were young, and the bachelor means to do everything in his power to protect Mia and her child. Giving her a job, a room under his own roof, is easy. Keeping it all about business isn't. Dylan is a successful, eligible catch, but are Mia's feelings just a case of hero worship? Or will she still need him, still want him, once her circumstances change?
