Teton Sunrise (Book 1) Evelyn Lewis secret dream of marrying her brothers best friend is shattered when he leaves their home town to seek his fortune elsewhere. For six long years, shes waited and wondered if he would return. After the shocking murder of her parents, her brother is the only family she has left. Refusing to accept a betrothal to a man she doesnt love, she decides to take control of her destiny and confront her parents killer. Growing up, Alexander Walker has known only violence at the hands of his cruel father. After the death of his mother, he embarks on a journey into the uncharted wilderness to test his resolve as a fur trapper and mountain man. When an impulsive decision leads him back to his childhood home, he finds more than he bargained for. Amid the rugged Teton wilderness, fate suddenly throws Alex and Evelyn together. The quiet protective boy she remembers is now as strange to her as the world shes been forced into. Wary of the hardened man he has become, Evelyn must put her trust in him in order to survive. Alexs memories of Evelyn are of a pesky little girl, but he cant deny his growing feelings for the beautiful and spirited woman she is now. His biggest obstacle in winning her heart may not be her uncertainty of him, but a fear that has haunted him all his life. In a primitive and brutal world, can Alex and Evelyn forge a love as solid as the mountains, or will the past come back to haunt them both? Teton Splendor (Book 2) Naive and spoiled, Sophia Yancey believes she is the only daughter of a wealthy Boston businessman. Shes always struggled to fit in among the citys elite due to her dark hair and bronze skin. When a rugged mountain man from the faraway Teton Mountains arrives to reveal her true identity, Sophia is in denial. Joseph Walker made a promise to a dying

friend: travel east to find the old Indian chiefs granddaughter and bring her back to her people. Unsure whether the girl is even alive, Joseph arrives on the doorstep of Byron Yancey, his only clue to her whereabouts. He expects to find Little Raven, a girl of Indian heritage. Instead, he meets stunning socialite, Sophia Yancey, and realizes that the journey home to the Tetons will challenge him in ways the wilderness never could. Away from the confines of polite society, Sophia must rely on Joseph as they travel a long road of danger and discovery, wary of a killer seeking revenge. As love ignites between them among the grandeur of the Tetons, will Joseph be able to keep her safe, or did he make a grave mistake in removing her from the only life she's ever known?

Teton Sunset (Book 3) Life for Lucas Walker is a constant adventure, a daily game to be won in the vast Teton wilderness. Facing every challenge head-on, he values the freedom to go where he wants, when he wants, and without attachments to any one person. She is known to the native people of the land as Ghost Woman. Hiding from a terrifying past, she has lived alone and under conditions too harsh for even the hardest men. Trusting another person is something she can't do. Forced to put her life in the hands of a man who dares her to confront everything from which she's tried to escape, she struggles to protect the walls she has built around her identity ... and her heart. Brought together through life or death situations, Lucas and his unwilling charge find themselves fighting dangers only found in the untamed mountains. Their battle for survival teaches them the ultimate lesson in how to trust and love someone. When the past catches up to them, they discover that the heart can't always be protected; sometimes the only way to be safe is to open it. ****Content Warning: This story contains mild violence, mild profanity, adult situations including physical intimacy, and are intended for mature readers.
