

## Layla (Alpha Series) (Volume 3)

It isnt a choice. You will be mine. Layla... Layla had her heart broken too many times. After dating a bad guy then losing Jared to Elisa, shes done with men. She realizes she doesnt need a man in her life and chooses to keep it that way. She decides to leave the bartending job she has and pursue her dream, working as a writer for a fashion magazine. When she meets Kyle on a late night, she blows him off like all the rest. The only problem is, he wont let her. As much as she tries to ignore the attraction and connection she feels for him, its still there. Before she knows it, shes claimed by him. But shes not sure if she wants to be... Kyle... Kyle isnt much different than his brother, Ethan. Hes been around the block many times and doesnt plan on changing his mind. But when he meets Layla at the bar, he isnt only attracted to her, but amazed by her. After Layla beats up a guy for talking to her the wrong way, Kyle is infatuated. Her strong personality and no bullshit attitude immediately suck him in. Hes never met someone who was as much of an alpha as he. He pursues her despite her rejections, knowing he has to tame her.
