Customer reviews for books in this box set

I enjoyed this book a lot. I was very surprised how the story went from ok your normal cowboy to making you guess who did it! JJ It held my attention from beginning to end with the characters playing meaty roles. Keith Turn and Burn #1 Heather Parr, professional barrel racer and owner of the Double P Bar ranch, is competing at the Barrel horse racing Finals. Disaster strikes while she's there, putting Heather in immediate danger. Someone doesn't want her competing this year, and will go to deadly lengths to make sure she's stopped. With the help of best friend Amy and high school crush, Declan, Heather sets out to find the person responsible. Over the weekend, sparks fly between Declan and Heather, but when the evidence points back to him, will it destroy their new relationship, or will his name be cleared? High Stakes #2 Heather and Declan are finally going to tie the knot! But problems keep cropping up at the ranch and delaying the wedding. Heather is finally face to face with the man behind all these problems, but will she survive the encounter?
