

EMMA. EDITION DE LUXE (Illustrated with 90 vintage engravings and pictures of 19th century artists). Detailed Table of Contents

Emma, young and rich aristocrat, entertains herself with arranging marriages yet refuses to be ever wedded herself. It soon turns out, however, that matchmaking can be a very tricky business and Emmas most applaudable efforts lead to a terrible confusion which is going to shake up a peaceful life of traditional local community. Let yourself be amused by an enchanting comedy of errors settled in the bucolic scenery of English province at the turn of 18th and 19th centuries. Luxury edition decorated with extraordinary Victorian era illustrations and engravings (by C.E. Brock, Hugh Thompson and Chris Hammond).
