

Lead Me On (Mills & Boon Spice Briefs)

Linda doesn't know why she agreed to attend an old friend's wedding, or the after party where she encounters her old flame, Eric. She's as attracted to him now as she was in college and even more aroused when she meets his captivating friend Nate. Unlikely as it seems, Linda can't deny the two sexy men are interested in her and that she wants them both, too. She's determined to follow the night through with them, wherever it may lead. Book three of Lauren Hawkeye's Erotic Me series.
