

Lettre a Sophie Volland (French Edition)

Ce livre est parfaitement mis en page pour une lecture sur kindle Nous partimes hier a huit heures pour Marly ; nous y arrivames a dix heures et demie ; nous ordonnames un grand diner, et nous nous repandimes dans les jardins, ou la chose qui me frappa, cest le contraste dun art delicat dans les berceaux et les bosquets, et dune nature agreste dans un massif touffu de grands arbres qui les dominant et qui forment le fond. Ces pavillons, separees et a demi enfonces dans une foret, semblent etre les demeures de differents genies subalternes dont le maitre occupe celui du milieu. Cela donne a lensemble un air de feerie qui me plut.
