

## Life Support (An Alexia Lindale Novel)

Alexia Lindale knows her new case is a matter of life and death. She doesn't have a clue what it will do to her heart...and soul. From the Christy-award-winning author of *The List*, *The Trial*, and *The Sacrifice* comes this twisting tale of tough decisions, mixed motives, and mysterious, healing grace. Baxter Richardson survived a fall from a cliff while hiding in the mountains. Whether he'll make it through the next few weeks is unclear. His survival depends on the machines that help him breathe. On the haunted, unstable wife who wants to pull the plug and hide her secrets. On the doting father who wants him alive for reasons of love and money. On the conflicting legal documents that send the fight to court. And, on the music and prayers of an extraordinarily gifted pianist.
