

## Likewise: The High School Comic Chronicles of Ariel Schrag (High School Chronicles of Ariel Schrag)

Ariel Schrag concludes her turbulent ride through high school in the long-awaited final volume of her acclaimed series of compelling and strikingly honest autobiographical graphic novels. Set in Berkeley, California, *Likewise* takes us into the holy grail of teenagers, every bit as terrifying as it is liberating: senior year. Struggling with a major longing for her ex-girlfriend who has gone away to college, her parents post-divorce relationship, anxiety over the future, and all the graphic details of her complicated life, Ariel sets out to document everything and everyone. And when she discovers James Joyce, a whole new world of creativity opens up to her. Written with unabashed honesty, insight, and humor, *Likewise* is a brave account of one teenage girl's search for truth.
