

Lilys White Lace

Just moments before she heads down the aisle, Lily discovers her husband-to-be, Dylan, has been cheating. Knowing she cant marry a man she cant trust, Lily leaves Dylan at the altar and heads to Oklahoma to clear her head and mend her wounded heart. She resolves never to trust a man again. Not even Jesse, her best friend Marcys brother. Especially since Jesse knows just how to infuriate her, bait her, make her laugh and even bring the glitter back into her eyes. And hes a farmer, the very type of man with whom she vowed shed never fall in love with. As the daughter of a farmer she knows that she doesnt want that kind of life. Thats just fine with Jesse because hes going to marry a tall blond angel who loves farming as much as he does. And Lily is too short, her hair is too curly, her eyes are too light and she never smiles. She doesnt have one appealing quality except her cooking, which is spectacular... and she can plow a field better than anyone hes ever known. But that wasnt enough to build a relationship on. Maybe a friendship if shed thaw out a little. But thats definitely as far as it can go. Or is it?
