

Lives Left Behind: A Pair of Historical Romances

Mail Order Bride: The Canadian Woman & The Scarred Cowboy - A woman leaves England with her family and a cholera outbreak devastates the family, making her an orphan. She is put into indentured servitude in Canada and then employed by the same family for a few years. Trying to break free from the life of a scullery maid, she corresponds with, and then travels to meet her fiancé in Nevada. They hit it off and fall in love, something the cowboy never thought he'd find because a childhood coyote attack left his face scarred. Mail Order Bride: The Burnt Out Shop Owner & The Cowboy - After her shop burns down a woman decides to make a clean break and leave Boston for a new life and husband in Nevada. They are indifferent, if not awkward towards each other and she feels that her life may never be the same, until something happens that triggers the slow process that leads to true and enduring love.
