

Living Twice at the Speed of Sound

If you read the Best Seller, Start-Up Nation by Dan Senor and Saul Singer then you must read Living at Twice the Speed of Sound. The Senor/Singer book reveals a broad picture of Israel's Economic Miracle. Eitan (Eddie) Shapiro gives you a sharply focused view of one who contributed to this miracle. He trains for war, visits the Lebanese battle field and storms the boardroom of one of the world's most prestigious algorithmic trading companies. Stand by to be mesmerized. Eitan (Eddie) Shapiro makes big news, quietly. Information in this book has been cleared for disclosure by the Israeli Military Censor. Some names and dates were changed to protect those endangered by evidential exposure.
