

Living with Moshiach

Living with Moshiach by Rabbi J, Immanuel Schochet. Messianic redemption through our righteous Moshiach, the ultimate purpose of G-d's creation, is at the heart of Jewish belief. Living With Moshiach is based on the talks and writings of the Lubavitcher Rebbe. These concise, inspiring and articulate discussions on Moshiach, are arranged according to the weekly and holiday Torah portions. This volume unites these cogent insights with the well-known Chasidic adage, one must live with the time, that is, take guidance from the appropriate Torah reading -- thus offering the reader a constant opportunity to study the themes of Moshiach and to live with Moshiach.
